

This SDS does not have to comply with Annex II of REACH as the product is not considered hazardous and contains no hazardous components. This is a 'non-mandated SDS'

**Edition 3.02 – 27 March 2014**

## **SAFTY DATA SHEET**

### **Mayhems Pastel Blue Berry – 250ml**

#### **1. PRODUCT AND COMPANY IDENTIFICATION**

|            |                          |  |
|------------|--------------------------|--|
| <b>1.1</b> | Product Identifier:      | Mayhems Pastel Blue Berry  |
|            | Product Description:     | Liquid Coolants  |
| <b>1.2</b> | Intended Use:            | Liquids Cooled PC's only   |
| <b>1.3</b> | Manufacturer / Supplier: | Mayhems  |
|            | Address:                 | Unit 12 Whessoe Road, Co Durham, DL3 0QP, United Kingdom         |
| <b>1.4</b> | Emergency Telephone No:  | +44 (0) 7455012917 (09:00 am - 05:00pm)                          |
|            | E-Mail:                  | <a href="mailto:support@mayhems.co.uk">support@mayhems.co.uk</a> |

#### **2. HAZARD IDENTIFICATION**

|            |               |                             |
|------------|---------------|-----------------------------|
| <b>2.1</b> | Main Hazards: | Not classified as hazardous |
|------------|---------------|-----------------------------|

#### **3. COMPOSITION, INFORMATION AND INGREDIENTS**

| <b>COMPONENT</b>              | <b>CAS no</b> | <b>EINECS</b> | <b>%</b> | <b>R PHASES</b> | <b>CLASSIFICATION</b> |
|-------------------------------|---------------|---------------|----------|-----------------|-----------------------|
| Glycerol                      | 56-81-5       | 200-289-5     | 40       | N/A             | N/A                   |
| Pure Water - Density Standard | 7732-18-5     | 231-791-2     | 59       | N/A             | N/A                   |

#### **4. FIRST AID MEASURES**

|            |               |   |
|------------|---------------|---|
| <b>4.1</b> | Ingestion:    | Not considered hazardous                                  |
|            | Skin Contact: | Wash with water   |
|            | Eye Contact:  | Flush with water – seek medical advice if reaction occurs |
|            | Inhalation:   | None  |

#### **5. FIRE FIGHTING MEASURES**

|            |                            |      |
|------------|----------------------------|------|
| <b>5.1</b> | Fire extinguishing agents: | None |
|            | Restrictions:              | None |
|            | Fire/explosion hazard:     | None |
|            | Main combustion gas:       | None |
|            | Personal protection:       | None |

#### **6. ACCIDENTAL RELEASE OF MATERIAL**

|            |                       |  |
|------------|-----------------------|--|
| <b>6.1</b> | Personal Precautions: | Wash hands with soap and water immediately.                          |
|            | Spillage's:           | Absorb in vermiculate, dry sand or earth and place in to containers. |

#### **7. HANDLING AND STORAGE**

|            |                     |  |
|------------|---------------------|--|
| <b>7.1</b> | Handling:           | None   |
| <b>7.2</b> | Storage facilities: | Store in cool dry environment                                  |
| <b>7.3</b> | Storage Containers: | Should be kept out of direct sunlight and kept tightly closed. |

This SDS does not have to comply with Annex II of REACH as the product is not considered hazardous and contains no hazardous components. This is a 'non-mandated SDS'

**Edition 3.02 – 27 March 2014**

## 8. EXPOSURE CONTROL/PERSONAL PROTECTION

**8.1** *Components with occupational exposure limits – The following exposure limits are taken from the Health and Safety Executives Guidance note EH40 occupational exposure limits 1993.*

|            |                                 |      |
|------------|---------------------------------|------|
| <b>8.2</b> | Exposure Limits:                | None |
|            | Exposure Controls:              | None |
|            | Occupational exposure controls: | None |
|            | General Personal Protection:    | None |

## 9. PHYSICAL AND CHEMICAL PROPERTIES

|            |                      |                              |
|------------|----------------------|------------------------------|
| <b>9.1</b> | Form:                | Liquid                       |
|            | Colour:              | Blue in natural light at 25c |
|            | Odour:               | Odourless                    |
|            | pH:                  | 7 – 8 at 10 g/l at 25°C      |
|            | Boiling Point:       | 100 °C                       |
|            | Freezing Point:      | -8 °C                        |
|            | Density:             | 0.8-1 at 25°C                |
|            | Solubility in water: | 99%                          |

## 10. STABILITY AND REACTIVITY

|             |                           |      |
|-------------|---------------------------|------|
| <b>10.1</b> | Reactivity:               | None |
| <b>10.2</b> | Stability:                | None |
| <b>10.3</b> | Possibility of reactions: | None |
| <b>10.4</b> | Conditions to Avoid:      | None |

## 11. TOXICOLOGICAL INFORMATION

|             |                           |                              |            |
|-------------|---------------------------|------------------------------|------------|
| <b>11.1</b> | <b>Acute toxicity</b>     |                              |            |
|             | -LD50 oral                | >10 gm/kg                    | Rat (oral) |
| <b>11.2</b> | <b>Primary irritation</b> |                              |            |
|             | (Skin):                   | Non-irritant                 | Rabbit     |
|             | (Eye):                    | product may cause discomfort | Rabbit     |
|             | Adverse effects in man:   | No adverse effects reported  |            |
|             | Additional information:   | None                         |            |

## 12. ECOLOGICAL INFORMATION

|             |                                |  |
|-------------|--------------------------------|--|
| <b>12.1</b> | Toxicity:                      | Not considered hazardous                     |
| <b>12.2</b> | Persistence and degradability: | The Glycerol will biodegrade within 30 days. |

## 13. DISPOSAL

|             |                     |  |
|-------------|---------------------|--|
| <b>13.1</b> | Product Disposal:   | Can be disposed of down normal waste drain.  |
|             | Container Disposal: | Containers should be cleaned with water and then Re-used or disposed in same manner as contents. |

This SDS does not have to comply with Annex II of REACH as the product is not considered hazardous and contains no hazardous components. This is a 'non-mandated SDS'
